

Why Choose Fait Optics?

Fait Optics provides all the advantages that doctors depend on from Fait Distribution, now in our own independent, doctor-owned, digital optical laboratory.

- ✓ Extensive portfolio of offerings, which includes both private label and branded designs from Shamir and EssilorLuxottica
- ✓ VSP insurance jobs accepted
- ✓ Generous quarterly rebate program available
- ✓ Competitive Pair50 Program
- ✓ Two-year warranty available on all AR coatings
- ✓ Complimentary shipping on frames to Fait Optics and complimentary next-day delivery back to your office when job is complete
- ✓ All contact lens orders are upgraded to next-day delivery when they are included with a Fait Optics shipment, reducing the potential for delayed or lost packages
- ✓ Transparent pricing with no hidden fees
- ✓ No prism fees
- ✓ Consolidated billing reduces the amount of necessary accounting work
- ✓ Low rejection rate
- ✓ No requirement for lenses when sending back a remake
- ✓ Personal communication if orders are ever delayed

DOES YOUR CURRENT LAB OFFER ALL THE ABOVE FEATURES?
